Acceptance of - in the Reserve
Bank of India, Bombay.

Sir,

I am directed to forward herewith a copy of letter, No. C.O./Sales, dated the 30th November 1953, from the competent Officer, Bombay State and to state as under :-

According to the orders issued in paragraph (iv) of Government Resolution, Finance Department, No.149/33, dated 18th November 1952, chalans are to be presented in duplicate in case of receipts to be credited to the Reserve Bank of India, Bombay. However, the depositors paying the balance of auction money for the credit of the Personal Ledger Account of the Competent Officer are required to use quadruplicate chalans according to the procedure laid down by the Government of India.

2. In order to enable the depositors to follow the procedure prescribed by the Government of India the Competent Officer has requested Government to issue orders regarding the acceptance of quadruplicate chalans. I am to request you to state if the Reserve Bank has any objection to the acceptance, as a special case, of the quadruplicate chalans in respect of auction money tendered by depositors.

Yours faithfully,

Subject:- Appointment of a Competent Officer for Karnatak Division.

Sir,

In my unofficial reference to the R.H.D.No. 403/199 dated the 28th April,1952, I had suggested that a Competent Officer should be appointed at Karwar.

2. There are in all 275 cases in the Karnatak Division consisting 895 properties. Out of these 275 cases, I have already passed ex-parte orders in 69 cases, and the remaining 206 cases are now pending with me. Out of these 206 cases, ~~are~~, 75 cases are now ready for hearing, and the remaining cases are not ready.

3. As a sufficiant number of cases have now become ready, I think that a separate officer for the Karnatak Division may now be appointed.

4. It was originally intended that the Head Office of this Division should be at Karwar. Later on, some of the parties from Bhatk requested that as the major number of cases were from Bhatkal, the office should be at Bhatkal instead of Karwar.

4. By an U.O.R. No.403/29410-5, dated the 6th August, 1953, I had suggested that the Collector of Karwar may be requested to say if it was possible to have the office at Bhatkal, instead of at Karwar. I understand that the reference has already been made to him in this connection. If the reply is now received from him I think that the place where the office should be situated should also be decided early.

5. The Karnatak Division consists of the districts of Kanara, Belgaum, Dharwar and Bijapur. The Competent Officer may be given the following staff i.e. 1 Senior Clerk, 4 clerks, 1 typist with steno allowance and 2 peons. Sanction may also be given for the appointment of an assistant custodian (legal) to represent the Custodian before him.

6. A provision is already made for the expenditure of that office in the budget estimates for the year 1953-54.

7. I had unofficially proposed that this Competent Officer should sit at Bombay for about four months and that then he should later on be transferred to Karwar. Now, however, as this officer is to be appointed immediately at Karwar, it would be necessary to have another officer here at Bombay, because in view of the provision that at ~~every~~ resale the Competent Officer should be present, much of my time henceforth will be spent in attending the resales all over the dists. under my jurisdiction. However, for the sake of convenience, I am making a proposal for this purpose by a separate letter.

Yours faithfully,

(D.B. GODBOLE)
COMPETENT OFFICER, BOMBAY STATE.

Thu 20/10/53. The C.O. has proposed to create ~~of~~ 1 post of Asst Custodian only for ~~20/10/53~~ present: It does not seem necessary to sanction an Inspector also under him. The papers underlying G.R, R.H.D, No. EVP—7253 B 27729 dt. the 23-7-1953, have been refered to F.D: under this Deptt. U.O.R. No EVP 1253/43383, dt. the 10-11-1953.

The work of C.O, Karnatak Division is not limited to the disposal of 75 cases only, but the C.O, Karnatak Div. will have to dispose of 206 cases under the Evacuee Interest (Separation) Act, 1951, from Kolhapur, Belgaum, Dharwar, Bijapur and Kanara dists. of this State. Hence the number of posts of clerks to be sanctioned is justified. With these remarks the pts. may be refered U.O. to F.D. for concurrence in the proposal made by this Deptt. The F.D. may be requested to treat this case as very urgent as the C.O. got who will have very little work after 16/11/53 when all cases will be disposed of.

2. F.D. has already agreed to the creation of the post of a competent officer, Karnatak Divn. Now the proposal is (i) to sanction the staff for the Officer and (ii) to create the post of an Asstt. Custodian of Evacuee Property to gether with a clerk and a peon.

3. As for proposal (i), the staff proposed is the same as that sanctioned for the offices at Surat. At Surat only about 180 cases were to be disposed of . In the Karnatak Divn. about 206 cases are to be disposed of. The staff proposed is, therefore, not in excess and as such the proposal may be agreed to.

4. As for proposal (ii) The C.O. Bombay, State has proposed the creation of the post of Asstt. Custodian only. He has not proposed creation of the post of an Inspector, a clerk or a peon. Presumably the C.O's. intention is that the clerks and peons of the C.O. Karnatak Divn.'s office should attend to the work of the Asstt. Custodian. F.D. may, therefore, agree at this stage to the creation of the post of Asstt. Custodian only (The Govt. of India have accepted the neeessity of creating such a post).

2. As stated therein the office of the C.O. Karnataka Dn has already started functioning. It is, therefore, necessary to take up the question of appointment of Asstt. Custodian and his staff. The R.W may see n/o. for convenience in 'A' of the O.N. dtd the 20/12/53.

3. The position stated at 'A' of the FD's note dtd the 25/11/53 is not correct. The C.O. and the staff under him are appointed for the superintendence of the interests of the evacuees from the non evacuees. In this matter, the Asstt. Custodian represent the Custodian of Evacuee Property and safeguards the interests of the evacuees. The C.O, Karnataka Dn. has been entrusted with the Kolhapur, Belgaum, Bijapur Dharwar and Kanara Districts. He will, therefore have to call for information regarding evacuee properties situated in these Districts. It will thus be appreciated that he will require the clerical assistance in the discharge of his duties. The FD may, therefore, be requested to agree to the creation of the posts of clerk & peon now as proposed in O.N. dtd the 20/X/53

4. The R.D/FD may see n/o. This may kindly

it treated as very urgent

6/1/54

The Asst. Custodian will not work under me C.O. He will represent the Dy. Custodians & the various depts. He will be a party to the proceedings before me C.O. Thus he cannot make use of the staff sanctioned under me C.O. He will have to correspond with the CEA & Dy. Custodians of five depts on various matters — apart from putting up a personal appearance before me C.O when the cases are taken up for hearing. He needs the assistance of a clerk for the nature of work. This is the bare requirement & the FD is requested to agree.

The A.C is a gazetted officer & he is entitled to a jeep — which will also work for the office.

Both the proposals are the minimum

Rule 8.

The Govt of India desire that the work of separation of the interests of the evacuees from the non evacuees which has been entrusted to the competent officers should be completed with the utmost speed. In these cases the Distt Custodian represents the Custodian of Evacuee Property only and safeguards the interests of the evacuees from the non evacuees. It will therefore be appreciated that unless the Distt Custodian is appointed, the CO cannot proceed with his cases and consequently the work cannot progress. The R.O. may therefore be requested to spare the services of a candidate with legal qualifications for appointment to the post of Distt Custodian of E.P at Bhatinda immediately.
